*The *Central Valley Promise* is a community-wide effort to promote college as a viable option for youth in our region. The *Promise* will ensure that if students and their parents pledge to do what it takes in middle and high school to prepare, college will be there for them in the future, guaranteed.

***Student and Parent Pledge (beginning as early as 6th grade)**

1. I will use the Central Valley Promise mobile app and/or website to get updates on career and college information and events.
2. I will learn as much as I can about college and careers throughout middle and high school, and I will share what I learn with my family.
3. I will prepare for college and careers by behaving like a scholar and making the most of the extra help that I am provided including regularly visiting my school counselor.
4. I will visit at least one community college and one university campus with my parents/family members during my sophomore year.
5. I will take challenging high school courses, including the College Entrance / A-G Requirements, career technical education, internship opportunities, and service learning.
6. I will apply for financial aid during my senior year through the Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application (CADAA), due in October each year.
7. I will also apply for local, regional, and national scholarship opportunities.
8. I will explore and pursue many different college and career opportunities, especially those in the Central Valley.

***The Central Valley Promise**

1. Promises that, starting in sixth grade, all students and families will be provided information, services, and resources to prepare for college and careers through the mobile app, website, and from school teachers, counselors, and administrators.
2. Promises to provide college and career counseling/advising through middle and high school and while in college and/or university.
3. Promises that all students who successfully complete minimum college preparatory requirements will be offered admission to community college with the first semester tuition free or to non-impacted degree programs at Fresno State.
4. Promises to maximize financial support provided to students and their families through Federal and State financial aid and through new sources of private funding for scholarships.
5. Promises to provide students' access to 15+ units of college courses/semester to stay on track toward graduation.
